Pav YMCA

Serving Our Community Since 1970

OUR MISSION:

Our mission is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all.

OUR CAUSE:

At the Y, strengthening community is our cause; we work side-by-side with our neighbors every day. Our approach helps us make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

OUR HISTORY:

The Pav YMCA is a chartered member of the YMCA of the USA. YMCAs welcome all faiths, races, ages, incomes, and abilities. We are one of the nation's 2,686 YMCAs which serve more than 21 million people, including 10 million children, through a broad range of programs focused on spirit, mind, and body.

The Pav YMCA was formed in 1970 to serve central Cook County in Illinois—specifically the near west suburban communities of Chicago which include Berwyn, Cicero, Stickney, Lyons, Forest View, Riverside, and North Riverside. We are a charitable, not-for-profit, 501(c)3 organization with the mission to put Christian principles into practice through programs that build healthy spirit, mind and body for all.

After initially providing programs and services out of storefront facilities, churches, and schools, our YMCA facility was completed and opened in 1986. Since then, our building at the corner of 29th Street and South Oak Park Avenue in Berwyn has undergone two expansions—one to expand the second-floor Wellness/Fitness Center, and the other to accommodate a handicap accessible elevator and a multi-purpose Senior Center.

Our organization is an independent, community-based YMCA. Our volunteer base involves community-minded individuals, including our volunteer Board of Directors. The Pav YMCA annually employs full and part-time staff. We have a diverse membership of individuals, nearly one-third of whom are seniors, and we see nearly one-half million visitors each year.

DIABETES PREVENTION PROGRAM

RAJ WALLER
Senior Program Director

rwaller@pavymca.org

WHAT IS DIABETES?

Diabetes is a chronic disease that causes blood sugar levels to rise higher than normal. Diabetes affects more than 29 million people. A condition called prediabetes occurs when blood sugar levels are higher than normal but not high enough for a Type 2 diabetes diagnosis. More than 84 million Americans have prediabetes and are at risk of developing diabetes. Diabetes has no cure, but prediabetes can be reversed.

ABOUT THE PROGRAM

The YMCA'S Diabetes Prevention Program is a support group that helps those at risk of developing Type 2 diabetes adopt and maintain a healthy lifestyle. This is achieved by helping participants eat better, increase physical activity, and lose a modest amount of weight in order to reduce their chance of developing the disease. Based on research by the National Institutes of Health and the Centers for Disease Control and Prevention, this program can reduce the risk of developing Type 2 diabetes by nearly 60%. This program is driven by the Centers for Disease Control and Prevention, the National Diabetes Prevention Program, and the Diabetes Prevention and Control Alliance.

Useful tools like a program manual, food journals, fat gram counting resources, and a complimentary family membership (up to 6 people per household) to the YMCA is provided for the entire year of participation. A minimum of 6 participants is needed in order to start each cohort.

PARTICIPATION CONDITIONS

LIVESTRONG®

FOUNDATION

THE PURPOSE

Cancer is a life-changing disease that takes a tremendous physical and emotional toll on those affected. The Y and LIVESTRONG® have joined together to create LIVESTRONG® at the YMCA, a research-based physical activity and well being program designed to help adult cancer survivors reclaim their total health. Cancer survivors are defined as anyone from diagnosis through remission.

LIVESTRONG® at the YMCA fulfills the important need of supporting the increasing number of cancer survivors who find themselves in the transitional period between completing their cancer treatment and the shift to feeling physically and emotionally strong enough to lead their lives to the fullest.

ABOUT THE PROGRAM

LIVESTRONG® at the YMCA is a research-based physical activity and well-being program designed to help adult cancer survivors reclaim their total health. Over the 12 week session, participants work with Pav YMCA staff trained in supportive cancer care in a comfortable workout environment. By focusing on the whole person, LIVESTRONG® at the YMCA is helping people move beyond cancer care in spirit, mind and body.

A final goal of the program is to assist participants in developing their own physical fitness program, so they can continue to practice a healthy lifestyle, not only as part of their recovery, but as a way of life.

THE BENEFITS

In addition to the physical benefits, the program provides participants a supportive environment and a feeling of community with their fellow survivors, Pav YMCA staff and members.

- Build muscle mass and strength
- Increase flexibility, balance and endurance
- Improve ability to do everyday activities
- Reduce the severity of therapy side effects
- Prevent unwanted weight changes
- Boost energy levels and self esteem
- Connect with other cancer survivors

PARTICIPATION CONDITIONS

This program is recommended for individuals who have recently finished cancer treatment or any survivor looking to regain their health and well-being. Enrollment will be handled on a case by case basis.

- Personally meet with the Senior Program Director
- Commits to attending 2 classes per week
- Inform your physician that you are joining
- Receives medical clearance if currently undergoing treatment

TEEN & ADULT LESSONS

It's never too late to learn how to swim! Our teen and adult swim lessons provide a place for adults and teens 13 years and older to learn how to swim in a friendly group setting. Advanced swimmers will focus on increasing endurance.

SWIM STARTERS (6MO-3YRS)

Accompanied by a parent or guardian (18+), infants and toddlers learn to be comfortable in the water and develop swim readiness skills through fun and confidence-building experiences, while parents learn about water safety, drowning prevention, and the importance of supervision.

SWIM BASICS (3-12YRS)

This class will provide instruction in basic water skills including comfortable entry, submersion, floating, and an introduction to basic swimming strokes. This class is intended to help participants gain confidence and self-reliance in the water. There are typically 3 levels in the swim class. Once you have mastered all levels you will be ready for Junior Poseidon (pre-swim team level). Class size is typically 6 swimmers.

SWIM LESSONS

Swim lessons are 30 minutes in length. There is a 15 minute grace period between lessons to give instructors time to clean and prepare for the next lesson. Each participant will be given a swim test at the start of the session to determine their skill level, and to ensure that they are enrolled in the class that meets their swim abilities. If they are enrolled in the wrong class, accommodations will be made to place them in the class that meets their skill level. Swimmers will remain in the class of their skill level until the instructor has successfully passed them on to the next level. All swim instructors are nationally certified through an accreditation approved by Y-USA standards. A parent or guardian over the age of 18 must be in the pool with all "Swim Starters" participants.

We are also committed to inspiring a spirit of service by uniting individuals from all walks of life to participate in and work for positive social change.

MILITARY OUTREACH

The Pav YMCA is visited by active duty military personnel every month. Use of the Pav YMCA is made available, free of charge, to anyone on active duty in the U.S. Armed Services. Facility admission is as simple as completing a membership form and providing proof of current service with valid identification. This is our way of supporting the health and well-being of our troops here at home. Thank you for your service!

VOLUNTEER, DONATE, ADVOCATE

As a nonprofit, the Y is able to strengthen communities because of the dedicated youth, families and individuals who share our passion and make the Y part of their lives.

They give their time, resources and talents—every day and in hundreds of ways—because they know they can improve the lives of others while enhancing their own through the Y.

With your help, the Y can continue to expand programming and outreach where it is needed most. Please consider volunteering your time, making a contribution, or sharing your story of the Y's impact. Stop in or visit our website for the volunteer form or to make a donation.

INTERESTED IN VOLUNTEERING WITH US?
Imagine volunteering where you know what you do each day positively influences the lives of people and communities.

As the nation's leading nonprofit organization committed to strengthening communities, the Y offers more than just a volunteer opportunity. At the Y, you can discover your passion while helping to solve some of the nation's most pressing social issues.

For more information or ways to volunteer, please contact Jamie Kucera at ext. 311 or jkucera@pavymca.org.

WAYS TO GIVE

VOLUNTEER

Giving a little bit of your time makes a tremendous impact. We welcome volunteers of all ages and backgrounds. We can even help you add some skills to your resume or find meaningful service in retirement!

DONATE

We count on the generosity of our members and community to help people of all ages and from all walks of life be more healthy, confident, connected, and secure. In this complex and ever-changing world we now live in, our vision and our goals need support more than ever.

PARTICIPATE

Participating in our events and fundraisers helps support your neighbors. By attending our fundraisers, family events, and more, you are showing support for the communities we serve. Showing up means showing you care.

SPONSOR

Sponsorships help us raise essential funds to benefit all who receive scholarships from our Annual Support Campaign. Sponsoring an event not only benefits our community members, it is a great opportunity to showcase your business or organization.

PARTNER

We are always looking for ways to make a bigger impact in the communities we serve through partnerships with fellow nonprofits and community organizations. Through current and past partnerships, we were able to make vital goods and services available at no cost to those in need.

HELP US MAKE A DIFFERENCE.
